To Whom It May Concern:

Reference: Application number 773707 and FRN's 2124423, 2124598, 2124615

I filed an appeal with USAC regarding application number 773707 to only discover it was too late for the appeal so I am pleading with the FCC to reconsider their decision.

I inadvertently canceled what I thought was only one FRN on application number 773707 which was FRN 2099215 and I did not know it was cancelling the whole Form 471. I thought each one of those FRN's could be cancelled separately. I had filed another 471 for the FRN 2099215 in which I thought I was cancelling but I found out it cancelled the whole form 471. I was not at the school to receive the commitment decision letters in enough time to appeal the decision. I understand totally the concept of deadlines but honest mistakes are the human factor in us all. I am a volunteer at the school who takes care of the e-rate for our district and half of the time I have difficulty understanding all I need to do, but I am constantly trying to learn. So if you could please take a moment and reconsider this appeal we would be very grateful; especially in these times in our state where budget cuts are hurting us tremendously. Every little bit of help we can get for discounts are greatly appreciated.

Thank you for your time and consideration of this appeal.
